

### YOUNG TOUR IS GOING LONDON

Young travelers are thirsty for party and love to have fun during their holiday. And we understand just exactly what they need. We let our young customers more trips to chose by providing packages dedicated for those between 21-32 years old only. Forget about boring sight-seeing tours to old sites that you are less-interested in, we hand-pick all the fun spots where all the young and free-spirited travelers like you will surely have a blast.

And after launching our [Phi Phi Island](#) and [Singapore](#) tour, now

**IBS Travel YOUNG TOUR WANTS TO TAKE YOU TO [LONDON](#) !**

Let's make friends or have fun with your group of friends in the hippest and most fun places around the globe! The more are the merrier and we are more than happy to welcome bigger group, so why don't you start to gather your friends to join the trips? London is calling and this could be your ticket to a lifetime bliss!
